

Martor

**MARTOR Safety Knife  
SECUMAX COUPPY, Martor  
43136.00 // T900**

Art.-Nr.: T900

- Ergonomically designed sheeting cutter with spare blade
- This tool saves e.g. the cutting plotter against wear and tear
- The foiltrack is led over a plastic guide, so there won't be damage to the plotter's covering
- The concealed blade lies optimal at a 45 degree angle and ist absolutely safe from injury
